

# KARMA COFFEE

*Start your day off with some good karma!*

Now you can enjoy your morning cuppa Joe and help the animals of the Humane Society of Dallas, too! Simply visit [www.poundsforpaws.com](http://www.poundsforpaws.com) and order your coffee online.

Pounds For Paws is a Javaco Fundraising initiative designed to support local animal shelter facilities.

The coffees offered are selected from the world's best Arabica beans and are roasted to order to ensure the freshest product possible.

**Twenty-five percent** of all purchases in our name are donated to the HSD.

At only \$10.00 per pound (or a dollar per pot), the competitive price point allows you to enjoy these gourmet coffees both at home or at work—and it makes a great gift, too!

So add some good coffee and good karma to your morning, and order today!

The Pounds for Paws coffee club selects only the best hand picked, high altitude, 100 percent Arabica coffees.

Our coffees are roasted to order to ensure the freshest and most flavourful product possible. These are the same premium coffees served in your favourite cafes and restaurants.

#### Pounds For Paws Coffees

- 100% Colombian- Popular choice any time of day, this medium body coffee is tangy with good acidity, sweet and spicy with a pleasing aftertaste.
- 100% Colombian Decaf- The same zesty flavour of Colombian without the edge! Who needs an edge when you already have one?
- Breakfast Blend- A unique blend of some of the world's finest coffee beans. A quality statement that will save you from the drive thru.
- Javaco Supreme- Truly a superb cup of coffee. It is noted for its exceptional balance and body, with a wine-like finish.
- French Vanilla- From the ice cream parlour, right into your cup.
- Irish Cream- Our most popular flavour - everyone's favourite!
