Lucky Stripe is one lucky dog. He was found in an Oak Cliff neighborhood wandering the streets. His rescuer finally was able to catch him and bring him into safety. Lucky has been completely vetted and is ready to make friends with his new family.

Lucky has yet to meet a dog he doesn't like. He's gotten along with big dogs and small dogs. He is also a favorite with children, they love to pet him and play with him.

He's currently working on his dog manners, but he has "sit" down pat. He walks well on the leash but could use a few more structured lessons to get him walking perfectly.

Aside from that, he's a perfectly sweet, fun, loyal dog. He's affectionate and gentle. very eager to please. He'd be a perfect family dog. but
