Born 12/14/13

Evander was found living on the streets. Since he is also missing one of his ears he earned the apt name of Evander. He is full of love and is a big energetic dog. He loves to play with ropes and he loves to play in the kiddie pool water too. He has a lot of bouncing energy and would do best with someone who can work with his obedience training and who has the energy to match his. Come and meet Mr. Evander and fall in love.
