

BANDIT

Large • Adult • Male • Dog
Pointer / Mixed, White with Black
Born 06/2002

Good with dogs Up-to-date

Bandit is a five-year-old Pointer mix, and probably weighs at least 60 lbs. He is almost all white with a black mask and black freckles. He has a gentle disposition and is very eager to please. He loves to go to the parks so that he can run. He enjoys playing with other dogs. He is a bit shy around new people, but loves children. He sleeps in bed every night with the family's kids.

Bandit dislikes baths and garbage trucks. (He barks whenever he hears them.) He likes to watch television with you, but is not keen on loud music. When you enter the home, he wants to be acknowledged. His feelings are hurt if you do not speak to him.
