Argentino was found living at a abandoned liquor store. The Director of the shelter would stop 2 times a day to give him food and water. Slowly she gained his trust and was able to bring him to our shelter. He is a big baby and learning that people and toys can be fun. He is not cat friendly. He would love a home so he can feel loved. He will need to be in a home with no pets and no kids. Come and meet this big sweet heart so he can steal your heart away.
