Hi, my name is Kristi and I was found outside pregnant 10-29-17. Lucky for me I was able to go to a foster home to raise my kittens. When they were old enough to get adopted, I stepped in to help 2 more litters of kittens that came with no mom. I just love babies. Now that my babies and step babies have all found homes I am looking for a forever home where I can get all of the attention. I would love to just watch movies and relax. Come and meet me so I can steal your heart away.
