

# FRANGELICA

Small • Adult • Female • Dog

Poodle (unknown type)

Born 2003

Up-to-date

Frangelica was found running the streets of Dallas with her friend Floriana. Their plans were to explore Big D unaware of the dangers lurking in the shadows. To their chagrin, but to their good fortune, someone was watching over them. It did not take much to coax them in the car and be driven to safety.

Frangelica is a Poodle mix with a vivacious personality and very friendly. She would adapt very easily to house or apartment living. She weighs between 15-20 lbs. A petite girl under all that fur!
