Special needs Good with cats Good with kids Housetrained Up-to-date

Ms. Sophie was found living outside. The family who found her wanted to keep her, but she tested positive for FELV, and they have other cats. Since she is Feline Leukemia positive, she can be adopted into a home that has a Feline Leukemia cat or no other cats. Her favorite time is laying in laps and getting tons of love. She loves visitors and volunteers, so come and meet Sophie. She will steal your heart away.
