Good with cats Good with kids Housetrained Up-to-date

My foster mom calls me a sweetheart. I love to cuddle all the time, especially at night time. I love to run around, play with my toys, and play with other cats, but I still know how to enjoy relaxing time. My best features are my big, soft eyes, my soft fur, and my unconditional love for everyone and everything.

She is in a foster home right now. If you will like to meet her we do ask that you fill out an application online or at our shelter.
