German Shepherd Dog, Black with Brown, Red, Golden, Orange or Chestnut

Up-to-date

Coach is a beautiful German Shepherd puppy. He has a lot of growing up to do so he needs a home with someone who has time to dedicate to house training a dog, teaching him good manners, and also socializing him. The German Shepherd breed is known to be eager and willing to learn, but they also have dominant personalities, so a good owner is one that knows how to be firm but kind. This breed is also a good family dog, but they should not be left unattended with children and children should be taught to respect the dog. The German Shepherd does shed, so you should be prepared for this.

Take a look at Coach's face and inquisitive eyes. He will be a jewel in the right family. Is that yours?
