Rosemary was found living outside as a stray and taken to Dallas Animal Services. She came to Dog & Kitty City on January 16, 2019. She is a sweetheart and loves to sit in laps. Come and meet Rosemary so she can steal your heart away.

Rosemary recently developed a growing mass on her head just above her right eye, and she was diagnosed with a malignant tumor in her sinus. She does not require any medications at this time. She remains a happy and playful cat.

*She is Feline Leukemia positive and can get adopted into a home that has a Feline Leukemia cat or no other cats.
