

DUNKIN

Small • Young • Male • Dog

Chihuahua / Corgi / Mixed, Tan/Yellow/Fawn with White

Born 5/2008

Good with cats Good with dogs Good with kids Up-to-date

This sweet boy has quite a set of ears! His heart is just as big. Dunkin came to us from a local kill shelter, where his time was getting close to the end. A shelter walker brought this adorable dog to our attention and we had to let him have a second chance with us. He gets along with other dogs and in general is easy going and relaxed.

Dunkin loves to go for walks and he's very good on the leash. He has a happy gait and you can tell he's loving life. Dunkin is bigger than a chihuahua, but much smaller than a Corgi too. His fur is not long like a Corgi's either. He's perfectly suited for apartment living, but a nice yard with trees to sit under would please him just as well. Dunkin is looking for someone to take him on nice walks, maybe occassionally to the park where you can have a donut and coffee and he can be there for you - or maybe to run around after the other dogs!
