

IAN

Small • Baby • Male • Cat
Domestic Short Hair, Gray and White
Born 4/2009

Good with cats Good with dogs Good with kids Up-to-date

Ian is a little orphan that was dropped at the shelter, probably because he has some ringworm -- but is adorable despite the rash. You'll note these will be his "before" photos. He is being treated, and the rash and dipping to cure it do not slow him down one bit. He is a very sweet and friendly kitten and has already made friends with a few other orphans and his foster mom.

He should be ready for his forever home by the end of July.
