Meowmeow! I'm Callie. I'm a fun loving female who loves exploring around my foster moms house, staring at all the potential prey outside the windows, and playing with catnip toys. She has 2 adult feline furkids herself and I get along just fine with them, so safe to say I'm ok with other cats. I'm a little shy at first but when I warm up to you, I'll be chirping and headbutting you all day! I'm tiny for an adult but I have a purr a lion would be proud of! Are you looking for a forever family member fishing for your kisses?
