Good with cats Housetrained Up-to-date

I'm Libby, a real sweetheart of a girl with a flame- tabby coat! I love humans and will take all the attention you are willing to give me. I have been in a home with other cats so I am cool with company. My owner, who took good care of us, was not in a position to take care of us any longer. I am now looking for a home where I can provide love and affection for my next family. Would you like to meet a cute little girl like me?
