Chihuahua / Mixed, White with Tan, Yellow or Fawn

Born 7/11/15

Zena is a beautiful, sweet, and shy chihuahua mix that is approximately 6 years old. She was found as a stray in Van Alstyne, TX. There is no telling what she experienced, on the lonely country roads, that made her timid and cautious of this big, bad world! It is obvious to us that she was once a beloved pet. We don't know her past story, but we want a bright future for our Zena! We feel that she would do best in an environment with children above the age of 12. She is dog friendly and would be happy to live with a mild mannered canine. Zena enjoys walks around the neighborhood and is reportedly good on a leash. Although timid in the beginning, she warms up quickly and wants nothing more than to be held, snuggled, and comforted. Are you looking for the perfect companion? Make an appointment to meet Zena!

Adoption is \$200. It covers spay/neuter, shots, and microchip. All dogs are on Heartworm preventative or treatment.
