Good with cats Housetrained Up-to-date

Chucky is my name! And no, I am not related to that nasty doll. I am a gentle guy who likes affection but can be a little shy. I was brought in with my fellow cats because there were too many pets in the home. Now I am looking for a person or family who wants a guy like me. I am not much trouble and am used to being with other animals. If you are interested in me, please give the shelter a call or text.
