Chirp chirp! My name is Grimes and I'm looking for my furrever home! I was very sick as a baby with lots of skin issues, ear infection and of course worms. After lots of care by my foster mom, I'm all cured and feeling like a kitten!

I love playing with toys, toilet paper brown rolls, laser pointers, and any kind of string! My favorite toy is crumpled up paper - I even play fetch with it! When I'm tired, I'm very cuddly and you'll love my soft fur on your lap. I'm also a little weird for an obligate carnivore: I love cashew and coconut milk based nice cream!

I'm small for my age, so my foster mom doesn't think I'll be a big girl - probably 8-10 lbs tops when I'm done growing.

I am very playful and love other pets! I would do best if I had another kitty/cat sibling.
