Good with cats Good with dogs Up-to-date

My name is Taco. I was found in a house with lots of other dogs. Due to the situation I was in, I did had a real bad eye infection and that is why I am missing one eye. Which I think makes me more cute. I am also shy but once I get to know you I will warm up. Because I am shy I ask that you come and meet with me 3 times so I can really know you more.
