

YODA

Small • Adult • Male • Dog
/ Mixed
Born 11/29/2017

Yoda is a very calm, quiet, and loving Chihuahua mix. He was found out in the country. Yoda came in being a picky eater. He prefers soft wet dog food now, but will eat dry food. Yoda does well with other small dogs. He may do better in a home with another dog his size or a dog who is calm and gentle to reduce any separation anxiety that he may have. Yoda loves to cuddle where he will crawl into your arms or just want to lay on top of you. Yoda is good with small children. He will greet children and he likes being held.

You can meet Yoda by completing an online application. We will then contact you to schedule an appointment to meet Yoda.
