The name is Gordo! I am a 23 pound guy who looks a tough guy. I am actually a gentle giant even though I appear to be a little rough around the edges. I have had hematomas on my ears that have left scars, but I have been cleared of ear infections. In addition, I was abandoned at the shelter in a crate so I am looking for a home that loves and appreciates a guy like me. If you would like to meet me, please email adoptions@dogkittycity.org or contact the shelter.
