Peach was trapped at the shelter as a teenager on 12-8-2006. She was living under the shed and we feared for her safety. She is a shy girl and stays on the cat runs to avoid people. Yet she is curious and will watch you approach. She is always grateful for a special treat and a kind word.

Peach is not available for adoption but she is available for our Guardian Angel Program.

If you will like to sponsor Peach on our Guardian Angel Program and will like updates please email info@dogkittycity.org. Once you become her sponsor we will email you with an update and a picture once a month.

You are also welcome to come and visit her too. We are open everyday but Tuesday between 11:45 and 4:45.
