Medium • Adult • Female • Cat
Tortoiseshell

Good with cats Good with kids Up-to-date

Goldenrod is a beautiful Tortoiseshell with lots of gold splashes on her face and body. When her owner passed away, she was brought to the shelter where she adjusted as well as can be expected under the circumstances.

She is very sweet and loves to be given affection. She also enjoys sitting up on her cat condo watching all the other kitties play. Goldenrod is a very sweet and gentle cat who would love a person of her own to love.
