

STITCH

Small • Adult • Male • Dog
Chihuahua / Mixed
Born 2003

Good with dogs Up-to-date

Stitch is a Chihuahua/Terrier mix. He is a sweet little guy with a big personality for his 12lbs. He always appears to be smiling. Appreciates any attention he receives. Eager to please. We are certain he knows he had only a few more hours to live when he was pulled from a local shelter by our organization. A little dog like this could actually change your whole life!
