

DOZER

Medium • Adult • Male • Dog
Boxer / Staffordshire Bull Terrier / Mixed

Good with kids Housetrained

This is Dozer. He is a friendly chap, with a lot of love to share. He was born in early 2003, and has grown into a very handsome young man. His first family taught him all of his basic obedience, plus a few other fun tricks. Unfortunately, they were unable to keep him, so he is now looking for a new forever home. He is very playful, likes other non-dominant dogs, loves children, and is very loyal.
