

# TINA

Medium • Senior • Female • Cat  
Tortoiseshell / Mixed

Prefers no cats   Prefers no dogs   Good with kids

Tina's a tough kitty and has been through a lot in her life. Born some time in 1994, she came to us as a stray who had to fend for herself. Because of her experiences, Tina will need to be in a home where she's the only pet. She does love human affection and, being the strong girl she is, won't hesitate to speak up in order to get it! Tina is a very special cat, but her only special need is a caring home where she can finally feel welcomed and safe.
