Danish was found wandering the streets with a pal (Donut). He emerged from the bushes when Donut went out of his sight. Danish came out with his tail a-wagging and he's been the friendliest, sweetest pooch ever. He likes other dogs and cats, an getting attention. When you pet Danish, he'll roll over on his back and give you that look that says "wow, please don't stop!". He walks well on a leash and meets people easily.
