

WALLY

Small • Adult • Male • Dog
Lhasa Apso / Brussels Griffon / Mixed
Born 01/2007

Good with dogs Up-to-date

Wally came to our shelter with his sister Lucky. They used to live together in a fine house but something happened in their human's life and it required giving up the two pooches. So, they sadly left their home and are now with us.

Wally is a friendly dog and in no time flat he'll be crawling into your lap and looking for love. Wally is even tempered and takes things in stride. He loves going on walks and getting pets.

Since Wally and Lucky have always been together, we would like for them to be adopted as a pair. Think of it as twice the fun and love!
