Dexter and his litter mates were found living with their Mom under some shrubs behind an office building. He was 4 weeks old when he was rescued. He is currently not at the shelter. He is being loved and spoiled, with his siblings, in a foster home.

Dexter is the coolest little dude. He is super chill and laid back and oh so, handsome! Always purring. He loves to play with his brother, Dayton and sister, Delta Dawn. When he is not playing, his favorite place to be is where his people are, snuggled up and giving cuddles. Dexter will make an excellent addition to any family!
