Coming Fall 2018, Marvel presents: BLACK MICRO PANTHER!

Starring me, Ramonda! I was found with all of my siblings on a construction site. The manager was trying to scare my mother away, so one of the workers put all 8 of us in a box and brought us to Dog & Kitty City. A foster mom took care of us till we were big enough to be adopted J

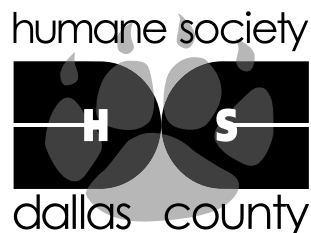

I'm a gorgeous looking Tortie, and I have a motorboat of a purr to make you fall in love with me. I'm a total lap kitty and LOVE to be held! I do love to play with toys (especially string toys) and run around, too, but I'm in my foster mom's lap/arms more than my siblings. Believe it or not, I LOVE BELLY RUBS! I will lay upside down in your lap and purr, awaiting your gentle touch.

I'm currently looking for my furrever home: I hope my personality sounds like a fit with your family!
