Buddy was adopted from Operation Kindness as a kitten, he is 8 years old now and he is a wonderful lap cat that loves to snuggle on your lap or next to you. He also likes to be brushed. and enjoys pets. He is up to date on his vaccinations and I have the paperwork. He has been a totally indoor cat and is declawed front and back. When you talk to him, he meows back. The owner will be moving to Austin to babysit my grand babies to help my daughter go back to work.

My granddaughter is allergic to cats, so I need to find a good home for him by January. He is in a foster home right now. If you will like to meet him we ask that you fill out application first online or at our shelter.
