Angel - Angel is approximately 11 years old. He is a neutered male and is microchipped. My neighbor passed away about a month ago and owned a dog and three cats. Her best friend adopted the dog, and I am trying to find furrever homes for two of the cats. Angel is very outgoing, has a loud purr and loves to be rubbed. He is declawed so he needs to be an indoor only cat.

Angel is in a foster home right now. If you will like to meet him we ask that you fill out an application online or at our shelter.
