Hi, I'm Frank, and I am a cute little spotted tabby with a lot of life! I am cuddly but also like to be free to play. I was brought in by a veterinarian's office with my three siblings when we were too small to be adopted. As my name implies, I would offer you a lifetime of true companionship full of kittie kisses and love. Please come and meet me at the shelter and I can show you what a great boy I can be!
